

WILLISTON BENCH

Williston brings to life a traditional yet whimsical bench. Williston is made with different mediums to bring texture to any design space. Made from a durable, all-welded aluminum frame with Jatoba wood or composite wood seat slats.

BENCH

- Williston is a surface mounted piece. May also be freestanding (must specify on purchase order).
- The seat is made from Jatoba wood or composite wood.
- The frame is constructed of aluminum.
- Recyclable. 

FINISHES

- Frame: powder coated aluminum - standard RAL colors apply
- Seat slats: available in oiled Jatoba wood or composite wood.
- Visit benchmarkcontractfurniture.com for color charts.

MAINTENANCE

- Metal and wood surfaces can be cleaned as needed using a soft cloth with warm water and a mild detergent. Avoid abrasive cleaners.
- Recommended: light sand Jatoba yearly and reapply exterior oil finish. If this maintenance is not completed the wood will eventually weather to a grey finish.
