

BUBBLES OTTOMAN

Bubbles Ottoman is made for high-traffic, commercial environments. It is fully upholstered and can be accented with contrasting stitching for a hint of style. The ability to customize with or without a notch allows for a design that can be freely combined based on individual needs.

OTTOMANS

- Bubbles is a freestanding piece.
- Available in four different sizes.
- Constructed with a wood sub-frame with high-density polyurethane foam.
- Available with or without a notch (must specify on your quote/purchase order or will default to no notch).

FINISHES

- Textile: Customer's Own Materials (C.O.M.)

MAINTENANCE

- Cleaning methods vary based on type of fabric. Dirt and crumbs can be gently brushed or vacuumed off. Spills should be wiped off immediately with a cloth. For overall cleaning, professional service is recommended. For upholstery that has been protected with Scotchgard, Zepel, or similar in manufacturing, the protective coating must be reapplied once every year. Contact fabric company for best cleaning methods.
