

Pablo is perfect for outdoor environments. Sit back, relax, and escape in the Pablo Adirondack.

CHAIR

- Pablo is a freestanding piece.
- The chair is constructed with Jatoba wood and then painted with an exterior paint or clear exterior oil.

FINISHES

- Frame: Jatoba wood - clear exterior oil or exterior Sherwin Williams paints apply.

MAINTENANCE

- Wood can be cleaned as needed using a soft cloth with warm water and a mild detergent. Avoid abrasive cleaners.
- Painted wood in an exterior environment will require quarterly sanding and touch up painting.
- Recommended: light sand Jatoba yearly and reapply exterior oil finish. If this maintenance is not completed the wood will eventually weather to a grey finish.
