

AUSTIN BENCH

Austin is a traditional backed bench, offering a timeless look to any project. Austin's frame is available in powder coated aluminum. Austin has the option of slatted Jatoba wood seat/back or solid aluminum seat/back. Custom etching or waterjet cut patterns available. Austin is durable, dependable, classic.

BENCHES

- Austin is a freestanding piece. May also be surface mounted (must specify on purchase order).
- The seat and back can be made from Jatoba wood slats or solid, powder coated aluminum.
- The frame is constructed of aluminum.
- Cutouts available on seat back of the all-aluminum bench. Standards - Comet, Nebula, Wave, Wisteria .

FINISHES

- Frame: powder coated aluminum - standard RAL colors apply
- Wood slats available in oiled Jatoba wood.
- Visit benchmarkcontractfurniture.com for color charts.

MAINTENANCE

- Metal and wood surfaces can be cleaned as needed using a soft cloth with warm water and a mild detergent. Avoid abrasive cleaners.
- Recommended: light sand Jatoba yearly and reapply exterior oil finish. If this maintenance is not completed the wood will eventually weather to a grey finish.
