

Mila was created for an answer to the commercial outdoor furniture market. Simple lines paired with an interesting curve on the back leg gives Mila a modern edge to the classic aluminum patio seating. Mila has the option of selecting either Jatoba wood slats or sublimated slats.

### CHAIRS AND STOOLS

- Mila is a freestanding piece.
- Mila is available in dining or bar height.
- The chair frame is constructed of aluminum.
- The seat/back slats are available in either wood or sublimation.
- Recyclable. 

### FINISHES

- Frame: powder coated aluminum - standard RAL colors apply.
- Seat/back slats: Jatoba Wood, Wood Sublimation, or Composite Wood.
- Visit [benchmarkcontractfurniture.com](http://benchmarkcontractfurniture.com) for color charts.

### MAINTENANCE

- Metal and wood surfaces can be cleaned as needed using a soft cloth with warm water and a mild detergent. Avoid abrasive cleaners.
- Recommended: light sand Jatoba yearly and reapply exterior oil finish. If this maintenance is not completed the wood will eventually weather to a grey finish.
