

Handmade in North America. The Phoenix Pole Base is a great option when a small footprint is required in your design space. Phoenix is required to be surface mounted for stability.

PHOENIX POLE BASE

- Phoenix is required to be surface mounted.
- Phoenix is available in dining or bar height.
- The interior base is constructed of steel. The exterior base is constructed of stainless steel.

FINISHES

- Interior: available in standard RAL powder coat colors.
- Exterior: available in brushed stainless steel or standard RAL powder coat colors.
- Visit benchmarkcontractfurniture.com for color charts.

MAINTENANCE

- Metal surfaces can be cleaned as needed using a soft cloth with warm water and a mild detergent. Avoid abrasive cleaners.
